## WHAT IS THE PAC AND WHAT DO THEY DO?

### SUPPORTING PARENTS, TEACHERS AND STUDENTS

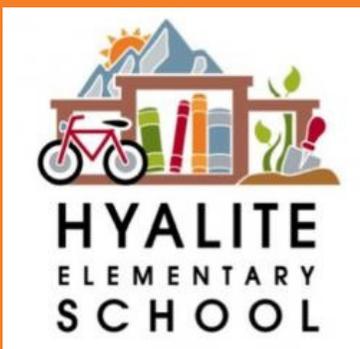

Welcome to our new newsletter! We look forward to bringing this to you on the first Monday of every month to keep you informed about what's going on around school.

This, the very first newsletter, is an introduction to YOUR parent group - the Hyalite PAC. We are a group of motivated parents with kiddos at Hyalite who are working to enhance your student's education through a variety of programs, community building, school spirit and more!

And **we always need volunteers!** See what we did there? There are SO many ways that you can get involved in Hyalite School. This year, after a very strange year last year, **we are bringing back the best thing about Hyalite - COMMUNITY.**

We're going to do that through a number of ways - more communication, fun events, fundraising for school needs, teacher appreciation, and connection with classrooms. So, be on the look out for emails, flyers, announcements and more. Don't hesitate to reach out with questions. And, of course, please volunteer. **If you volunteer for ONE THING this year, it will help tremendously.**

Here's to an awesome year!
