HOW TO SUPPORT THE TEACHERS

VOLUNTEER OPPORTUNITIES FOR ANY TIME COMMITMENT

Hyalite Parents, there are several opportunities for you to help out at school or during different times throughout the school year. Here are our most critical needs and how to get involved:

At this time, our teachers are doing more than ever to keep our students safe during this school year. We are very grateful for the work they're doing to make extra effort to keep our kids safe like rotating classroom-based lunch hours! Here are ways that you can help out in the classroom to give our teachers a moment to catch their breath, finish some paperwork, eat lunch or sit down!

- **Help supervise a recess.** It takes two parents per recess, 3 recess per day to help out. Time: 1 hour max.
- **Read to the class.** Time: 30 minutes
- **Hang out during lunchtime in the classroom.** Time: 30 minutes

The school will provide a quick onboarding & training to any parents wanting to help out with recess.

Contact your student's teacher to schedule a time to help out!

THANK YOU!

HOW TO SUPPORT THE SCHOOL

SUPPORT OUR STUDENTS:

Here are ways that the PAC needs your help for an hour or two coming up:

- **Can you help decorate the school** at Thanksgiving or un-decorate during Winter Break? We set-up holiday decor during Thanksgiving break and take it down during winter break.

- **Sell Apparel** after school on Wednesday, 11/17
 - Time: 1.5 hours
- **Can you bring cookies** to school for the teachers?
 - Time: 1-2 hours or 15 minutes.
- **Can you help at the Holiday Program?** The PAC will be helping teachers with things like greeting and directing, decorating the stage, helping to transfer instruments, selling apparel, and other help to make this amazing program go smoothly.
 - Time: 1-2 hours
- **Join the Lip Sync Battle committee** to help plan the biggest night of the year for Hyalite families!
 - Time: 2 hours/month until April.
